### **DETAILS ON PERSONALITY – things to consider in your summary:**

How has this cat/kitten's behavior evolved since you began fostering him/her and what types of behavior will the new foster want to be conscious of, accommodate, work to improve on, that will help prepare the cat/kitten for adoption?

Where do they like to sleep? How are they with strangers? Have they met small children? Have they met dogs? Do they prefer a vertical or horizontal scratcher? Favorite toys?
